

A technical map showing a road network. A specific road segment is highlighted in red. The red line starts at a junction on the left, loops slightly, and then extends horizontally towards the right, ending at another junction. The map includes labels for 'Virkesupplag' on the left and 'Granebovägen' on the right. The background shows various road types, some solid and some dashed, and building footprints.

Virkesupplag

Väg som kommer att
trafikeras av virkesbilar

Granebovägen
